## Special Achievements

Congratulations to Cecil Reyes, DWP, and his wife, Sochi, on their 15th wedding anniversary. They celebrated it on the island of Moorea, French Polynesia, in May. All the best to Cecil and Sochi!

Brian Dunbar earned the rank of Eagle Scout on April 2, and was honored May 30. Brian is the son of Michael Dunbar, Mechanic, LAFD, and the grandson of Larry Lieswald, Public Works/Street Services.

The Club sends giant happy birthday wishes to Johnnie Philip Grigsby, Retired, Rec and Parks, who turned 100 on April 9.

Johnnie was born in Minden, La., on April 9, 1915. In 1942, his older brother, Albert, talked him into moving to California. Once he arrived here, he held numerous jobs and, in 1944, he reconnected with Mary Jane Green, and they were married in 1945. They had three children, Clarence, Johnny Jr., and Marsha and were married for 67 years prior to Mary's passing in January 2009.

In 1954 Johnnie began working as a Gardener for Rec and Parks. He loved working for various parks around the City, including MacArthur, Burns and Echo Park. His last assignment was as Sr. Gardener at Cheviot Hills Park, where he stayed until he retired in 1979 and after 25 years of City service.

In retirement, Johnnie continued his love of gardening, traveled the United States, served as an usher for his church, and joined the Woodcarvers Association of Central California. Each year he carves eagle heads for canes given away to the local veterans and has been featured on the local news. He teaches woodcarving to high school students at Riverdale High School in Riverdale and loves recycling odd things to make beautiful artwork like the canned food cowboy.

Johnnie refuses to let his age slow him down. When asked, "What is the secret to your longevity?," his answer is always the same: "Just keep living!"

Special thanks to Marsha Grigsby for photos and story

# Peace of Mind

## Don't Let an Accident Trip You Up

When unintentional injuries happen, focus on your recovery, and let the Club's Accident Plan take care of the added costs.

In 2013, the U.S. Centers of Disease Control and Prevention reported that an estimated 31 million people in the United States sustained an injury that lead to emergency room visits. That same year, an estimated 2.5 million people were hospitalized with an injury.

The City Employees Club understands that the costs of critical injuries from an accident can lead to immense bills. When you seek medical treatment, most health insurance plans do not cover emergency, in-

patient or outpatient co-pays, transportation and lodging needs, childcare replacement, or your loss of income from taking time off work. Our group accident plan was designed to cover the out-of-pocket expenses you would incur from an injury so that you can focus all of your attention on restoring your health.

If you suffer an unintentional injury, whether it occurs on or off the job, the Club's group accident plan works like a hospitalization plan, to pay accordingly to the hospital services rendered. The plan pays cash benefits directly to the insured. Benefits paid are according to medical treatments and services, regardless of your other medical benefits. You decide the best

way to spend your check.

All Club Members are eligible to apply for the accident plan. Pre-existing conditions, though they are not covered until the policy is in force for two years, will not disqualify you from the plan. There is no medical review for plan issue.

Accident insurance is great if you work with your hands, you have kids who play sports, you lead an active lifestyle, or just because, like all of us, you're susceptible to an accidental injury.

You can choose protection for yourself, your spouse and your dependent children. The Club offers you and your family peace of mind and cash benefits.
