## ■ Rec and Parks teams up with KTLA for Kids Day.

Story and photos by Jorge Suarez

Exposition Park was the location for the eighth annual KTLA Kids Day, co-sponsored by Rec and Parks Oct. 2. The day was a family festival dedicated to children.

It was a wonderful morning full of laughter

and joy as City employees, most from the Rec and Parks, assisted families and their kids have a good time. These types of events make Rec and Parks a unique and special department that gives a lot back to the people of Los Angeles.

Continue putting on great events, Rec and Parks!
