

Training Classroom Opens

■ LAFD holds grand opening for its new training classroom.

Story and photos by Robert Larios, Club Operations Manager.

The LAFD held a wonderful Grand Opening and Dedication ceremony for its new Training Classroom. The new facility is at Fire Station #89, 7063 Laurel Canyon Dr.

The ceremony was held Dec. 9.

With the modernization of this facility, the community around the fire station will benefit greatly by having firefighters who are highly trained and capable of many fire and rescue skills that will save many of their lives.

The LAFD's new training classroom facility is ready for action.

Funds were made available through a recent Proposition that allows the remodeling of many facilities and stations.

The Club congratulates the LAFD on this great new facility!
