This month's winner:  
**TOM "TAG" GARBER**

I am a Wastewater Mechanic at the Terminal Island Treatment Plant and have been working for the City over 22 years. My passions are: restoring vintage automobiles, surfing, diving, photography and spending time with my seven grandchildren. I have a very full life.

We have been in the National Woodie Club for 15 years and love going to all the local club events. It was at the 2004 Doheny Wood Car Show that I shot this picture of three 1950 Ford Woodies all in a row, showing off their beautiful pastel colors on a sunny spring day. It was these cars and the great vintage surfboards of my youth which first caught my eye. I kept coming back to these cars all day until the light was just right. Persistence paid off and I finally got the shot I was after. I call it "The Good Old Days" and I hope you all enjoy it.

Great shot, Tag!
