

# Happy Father's Day

From all of us at the Club, to all the fathers, **HAVE A GREAT DAY!**

Here are the personal messages sent to *Alive!* by some very loving and grateful children who wanted to pay tribute to their DAD. **Enjoy!**

Pap, you know we love you with all our hearts. You've always been there for us. Daddy, you're number one! Te queremos mucho. Happy Father's Day. Love, Nan, Fernando, Nora, Nick, Nancy and Juan.  
— Fernando Raudales, Street Services

Dad, thank you for your love, care and the continued support you have given me to follow my dreams! Driving and picking them up Frankie and Moi from school, taking them to doctor's appointments, and spoiling them behind my back is something not every kid has the pleasure to cherish! You're the greatest and best Dad and Grandpa anyone can ever have! Te queremos mucho!  
— Tu hija, Leonor V. Garcia

HAPPY FATHER'S DAY TO THE BEST DAD AND HUSBAND IN THE WORLD!

Happy Father's Day, Dad! We love you very much and thanks for all you do for our family.  
— Love, Jesse and Sienna

Your greatness as a father has always been to teach your children that achieving a better life requires hard work, awareness and decisiveness with all opportunities that present themselves. Thank you, Pops. I love you very much.  
— Your son, Robert. Rafael Larios is father of Robert Larios, Club Marketing Director.

Dad [Club Member Kurt Garcia], going skiing was the best day ever! We love you. Happy Father's Day. :~)  
— Club Member Kurt Garcia

Daddy, here is the chance to let everyone know how much I love and appreciate you and how lucky I am to have you for my father.  
— Lynne Wright, Ontario Airport

My father, Lee Cotton, is "the man with a million tools." He was the best man in my wedding. He is the very essence of a father, teacher, mentor and lastly friend. My character, demeanor, and my relationship with Jesus Christ (my father took the family to church eeevevrry Sunday growing up) is because of this man. Pops, I love you. Thank you for everything. You were the perfect example as the "head" of a family.  
— Ticket Guy (Navin Cotton).

To Randy Whitehurst, Dad, Papa, Big Daddy ... Happy Father's Day. You are all of these things to us. We love you very much and appreciate all of the advice and help you give us. There are a bunch of us so we know you must be very busy.  
— Love, Leslie, Sarah, Christopher, Brandon, Tyler, Shannon, Mikie, Jamie, Pat, Tina and Buddie.

Happy, Happy Father's Day, Juno [Cirilo "Juno" Galvan, DWP] ... and thank you for your outgoing and fun personality as well as the many fun outings you have taken us to in the past year!  
— Frankie and Moi Galvan
