FIRE DEPT. — On Sept. 17, the Chesterfield Square Community Block Club held a Firefighters Appreciation Day for LAFD Fire Station 66.

The event took place at the Chesterfield Square Shopping Center in South Los Angeles.

It was an opportunity to thank the men and women for their hard work in protecting the Chesterfield Square community.

The Office of Emergency Preparedness participated and passed out important disaster-preparedness literature. Sparky the Fire Dog entertained the kids, while the LAFD Air Operations performed a flyover in formation.

The Club thanks Vernice Hankins and Councilman Bernard Parks and his office for their assistance.
