

ADULT COLORING CONTEST

**1st
WINNER!**

**Adult Coloring Contest:
A New Club Favorite!**

Alive's second coloring contest for adults proved a big hit, just like the first one. Bravo to everyone who participated!

And just like the first *Alive!* Adult Coloring Contest, we received responses from a wide variety of job classifications. It seems everyone, including adults, loves to color. So you can count on *Alive!* to give you the opportunity again in the near future.

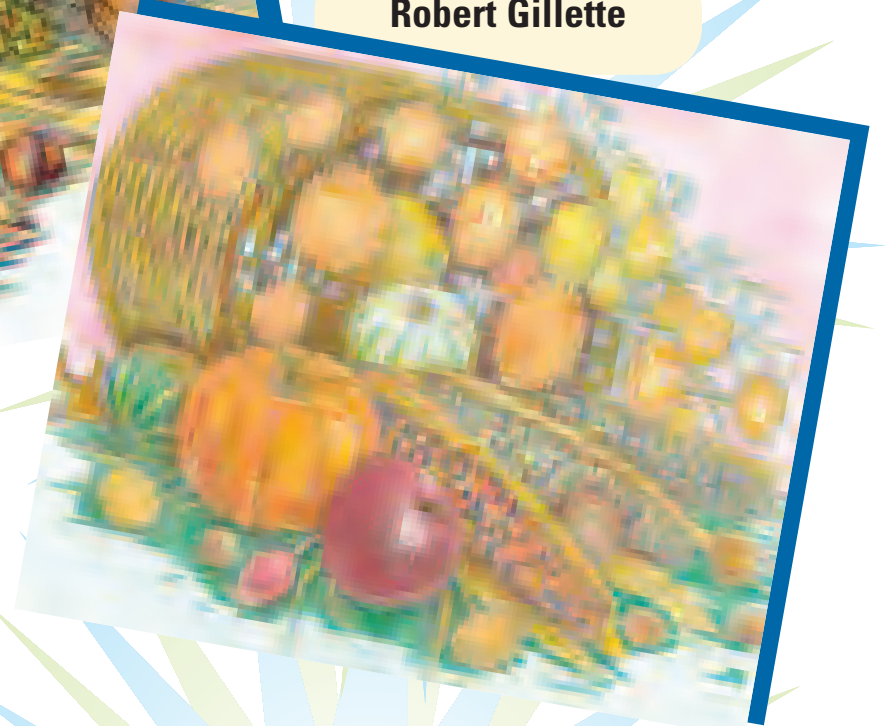

Congratulations to the winners, and good job to everyone who had fun!
