This is Genevieve, our family cat. Although cats are known to have expressive faces. Genevieve was able to sum up a situation in a single glance. This was taken just after she was treated to a pill that she was more than unhappy about being given!"

- Bob Hill, DWP

John's comments: Well, what can I say ... I love cats!

"This is a picture of my son, Angel Gomez Jr., at Legoland with his new dinosaur magnifying glass."

- Angel Gomez, Club Member Services Manager

John's comments: Nice work, Angel. I really like the imagination you put into your photography! Oh, and just so all of you know, this picture was taken by the same Angel Gomez who took the cover photo for this month's Alive! A round of applause, please!

"This is a picture of two of my seven children. Joe and John, I can't remember specifically where this was taken, but it was one of those picture perfect moments that I actually caught on film about 35 years ago.

- Robert Hawkins, retired: former LAPD Crime Lab Consultant

John's comments: Nice shot, Dad! Having kids, I know how hard it is to get them to sit still for a picture, let alone to get them to have the facial expressions you want.
