

# CENTRAL CITY POLICE BOOSTERS

9th Annual Fundraiser

Golf Tournament

CALIFORNIA COUNTRY CLUB

1509 South Workman Mill Road  
Whittier, California 90601-1412

Thursday, September 28, 2006

The Central City Police Boosters have been proud supporters of the men and women at the Central Community Police Station for over 34 years. They have provided their support in administrative provisions and youth programs administered by the Los Angeles Police Department, Central Area Community Relations Office.

This golf tournament is one of the major fund-raising events of the year to provide the money necessary to fund these important programs.

We ask for your support by participating in this fun filled day of golf. We would also like to extend to you the opportunity to become a year-round member of the Boosters organization. Please take the time to fill out the Booster membership application and help support the crime prevention and youth programs in Central Area.

# Yea, Team!

## Street Services' Slurry Seal Crew 177 gets nod from Public Works quality task force.

**PUBLIC WORKS** — On July 26, the Public Works Task force for Employee Achievement and Morale (PW TEAM) honored the Bureau of Street Services (BSS) Slurry Seal Crew #177 by presenting its nine members with the "Outstanding Team Award." The team proudly accepted their commendation during the Board of Public Works meeting in City Hall.

BSS Director William Robertson commended the crew for its diligence and hard work on the City's pavement preservation program. The team, comprised of Antonio R. Acosta, Robert Galan, Damita J. Golston, Jose Munoz, Edward G. Holmes, Joseph A. Navarro, Nicholas G. Suquett, Robert Hernandez and Richard L. Wilson, was honored for prolonging the lives of Los Angeles streets despite weather challenges.

The PW TEAM, the City department's task force that recognizes effective and outstanding

members of the Public Works family, presented the "Outstanding Team Award" to the crew after receiving a nomination and investigating its qualifications. An outstanding team should accomplish a clear-cut goal that benefits the City of Los Angeles, its employees or the public at large by demonstrating harmony and teamwork in pursuit of the goal.

The BSS Slurry Seal Crew #177 was considered a worthy recipient of the award, having achieved its objective of effectively maintaining City streets and benefiting the residents — drivers in particular, by working together as a team.

For questions about the Public Works or the PW TEAM, please call the Public Affairs Office at (213) 978-0333.

Public Works, the third-largest municipal division in the City of Los Angeles, is managed by a five-commissioner Board of Public Works. The department oversees the construction, renovation and operation of public projects such as municipal buildings, streets, bridges, street lights, water treatment plants, sewers and sidewalks, and provides essential public services like recycling and solid waste management.

The event served more than 150 sworn and civilian personnel, ranging from jail, garage, General Services, detectives, patrol, administration, property and clerical personnel. The menu consisted of hot links, hot dogs, Philly cheese steak sandwiches, sodas, chips, dessert and entertainment. Entertainment was provided by Detention Officer Robert Thurston.

**POLICE DEPT.** — The 77th Community Police Station hosted a fun barbecue July 21 to thank each other for their hard work.

The barbecue took place at the 77th Community Police Station.

As Detention Officer (and Club Rep) Catalina Alvarado tells it, "The personnel here at the 77th Street Jail Facility decided to show our recognition of all the hard work we accomplish here. We believe in teamwork, and we thought that nothing would better than to have an appreciation barbecue for all personnel. On a day-to-day basis, we process over 150 arrestees into our division, and after all that hard work we need a break."

Detention Officers Garcia and Fowler slow-danced for the crowd.
