"I spent this past week with my family in Cabo San Lucas, Mexico, just to relax before the kids go back to school. It was hot and humid, but we had a great time cooling off in the pools."
—Cuong Nguyen, ITA

"Thank you, [Club CEO] John [Hawkins] for the tip on the Point Fermin Lighthouse tours! What a great way to spend a warm summer afternoon with Nana and Granddad. [Point Fermin Director] Kristen [Childs] gave us a neat tour all the way to the top of the lighthouse. Wow! What a view from high on top of the bluffs. We had such a great day in San Pedro and hope to go back again soon." — Little Club Fans: Mathew Medina, Miranda Medina, Hannah Franco and Emma Franco

"On our recent trip to Europe (London, Germany, Italy, Belgium, Austria Switzerland and France) this was taken in Paris with the Eiffel Tower as a background."
—Pablito and Fely Adradas. Pablito is Retired from the General Services Mail Division.

Club Member Makes the Rounds with *Alive!*

Club Member and frequent *Alive!* contest contributor Ken Moody has been busy taking photos for *Alive!*

Actor Richard Karn [Home Improvement, Family Feud] reads *Alive!* at an LAFD event. (Photo taken by Ken.)

Ken, holding *Alive!*, reports: "Tom Cruise was walking down the street, mumbling something about the Martians were coming and that they were at war with us. But I didn't care. If I saw a Martian, I would just give them my *Alive!* I know that would calm them down." That's good thinking, Ken ... even there at Universal Studios.

"I was off work for awhile," Ken says. "That gave me time to catch up on my back issues of *Alive!*" Sure did ... although we had no idea you liked hanging out at the bars, Ken.
