"This picture was taken at the Mono Lake Tulfa and wildlife preserve in the Owens Valley. It kind of looks like a raccoon."

John's comments: You're absolutely right. It does look like a raccoon!
- David Mills, DWP

"This badger came into our lunch area and hung around for a few minutes. I was about 10 feet from him when I took these pictures."

John's comments: For those of you who thought you had too many unwanted guests in your lunch area!
- Ron Angst, DWP

"I took this photo of Disney Hall from the Music Center."

John's comments: And just when you think you've seen every angle of the Disney Hall! Great composition, Arvin!
- Arvin Lopez, Engineering, Public Works

"I've come across this favorite photo of mine. I took it in June at my kid's birthday. It is not a posed photo; I was just lucky to capture the moment of wonderment. Up there is a new toy: a 'flying saucer'."

John's comments: Robbie, this reminds me of the time the kids and I flew the same type of flying saucer ... and this is exactly what they looked like when it took off into the sky! (Unfortunately I didn't get a picture because I was too busy trying to run out of its crazy flying pattern.)
- Robbie Horvath
