REST INSURED

Why Buy Through the Club?

We often find that one of the most misunderstood topics in insurance is, "What does an insurance agent do for you?"

First, it's important to explain that there are two different kinds of insurance agents. A direct writer is an agent who is contractually obligated to write insurance for one company only. These "captive agents" are the most common kind of agent, and they work for companies including State Farm, Allstate, 21st Century, GEICO, etc. They do an excellent job of offering their company's products and services to you, the consumer. Unfortunately, they are limited in that they can only offer the products and services of their one company.

The other kind of agents are often referred to as brokers, as they represent multiple insurance companies. United Agencies is a broker. The advantage of dealing with a broker is that they can get you quotes from several different insurance companies all at once, and find the one that best fits your situation. Brokers can also help you out if you have teenage children in the house, too many tickets on your license, or maybe a house in a "brush area."

Traditionally it is understood that an agent represents the insurance company, and a broker represents the customer. As brokers, we are not obligated to any specific insurance company and can offer you an unbiased investigation of what company would be best for you.

By calling United Agencies, you should expect to get exceptional service. Our partnership with the City Employees Club is very important to us, and you will receive "VIP Treatment" as a member of the Club. A real person will answer the phone, and you won't be shuffled off to the voicemail dungeon. It is important to us to keep our relationship with the Club, and to do so we have to keep every Club Member happy. When you call us, you should expect results!

If you are buying your policy from another broker, and you like the insurance company that you are buying from, you can still switch to United Agencies and experience the exceptional service that other Club Members are receiving. We even will give you a \$100 ARCO gas card simply for switching agents! You keep the same great policy you currently have, improve your level of service, and get a few tanks-ful of gas free!

Buying your insurance from a broker is especially beneficial to you when you spend a

few minutes talking to our agents on the phone or in person. We have more than 50 years of experience to draw on, and we pride ourselves in doing an excellent job of educating our customers in how to make the best decisions. We will try to "think outside the box" and offer helpful suggestions on ways to reduce your insurance costs and increase the protection for you and your family.
