Chichen Itza, Mexico

"These are pictures of my trip to Chichen Itza in Yucatan, Mexico."

- Norberto Villa, Construction and Maintenance, Airports

John's comments: Thanks, Norberto, for taking *Alive!* with you to Chichen Itza, the pre-Columbian city built by the Mayans. Hey, did you know that Chichen Itza was selected as a finalist for the New Seven Wonders of the World?

New York City

Here's a photo of *Alive!* editor John Burnes, along Broadway in the bustling and hip section of Soho in New York City.

- John Burnes, Editor

John's comments: There's nothing like getting funky in the hip section of Soho! Thanks, John, and keep up the good work.

Bora Bora

Papeete, Tahiti

"I was on a 30-day cruise through the Hawaiian and French Polynesian Islands. The first photo is from Bora Bora. The second photo is docked at Papeete, Tahiti."

- Nancy Wills, Retired, DWP

John's comments: That sounds like quite the cruise, and quite a lot of sailing, considering the distance between Tahiti, Bora Bora and the Hawaiian Islands. Thanks, Nancy, for taking us along!
