AIRPORTS — LA/Ontario International Airport (ONT) Safety Officer James Zinter received two honors May 18 while graduating from the Ben Clark Training Center at the Riverside Community College Fire Academy. With ONT Fire Chief Dan Lindsay and Airport Police

Capt. Greg Staar present at the graduation ceremony, Zinter received the Pablo Cerda Award for perseverance, honor and courage. In addition, Zinter received two scholarships for being number two in academics.

The perseverance award was named for Pablo Cerda, 23, of Fountain Valley, a firefighter who received burns over 90 percent of his body last October. He was the fifth U.S. Forest Service firefighter to die from burns suffered when their engine crew was overrun by a Southern California wildfire blamed on arson.

The scholarship awarded to Zinter can be used for paramedic training and additional fire fighting courses. This award can save about \$5,000 off training fees.

Zinter, a highly decorated officer with the San Diego Harbor Police where he spent seven-and-a-half years while receiving many decorations, transferred to ONT last year.
