POLICE DEPT. — The Central City Police Boosters held its 10th annual golf tournament Sept. 26 at the Montebello Country Club.

The Central City Police Boosters have been proud supporters of the men and women at the Central Community Police Station for more than 35 years. The organization has focused its support on the crime prevention and youth programs administered by the Los Angeles Police Department, Central Area, Community Relations Office.

This golf tournament is one of the major fundraising events of the year to gather the money necessary to fund these important programs.

Congratulations to the Police Boosters for another excellent golf tournament, and thanks to Officer Marie Kardiban for her assistance.
