Alive! AROUND THE WORLD

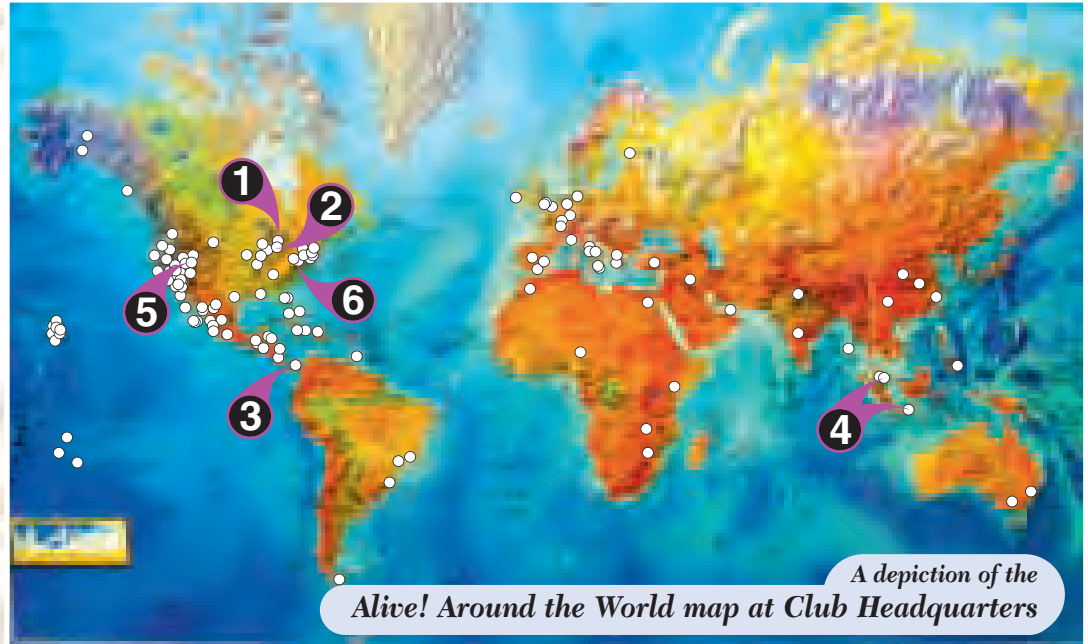

5 California

"I took the family for a week's vacation at the Rec and Parks-owned and -operated Camp High Sierra in Mammoth Lakes. Built in the mid-'20s, the camp is about two miles from the center of town and features campsites, 10 cabins, hot showers and a charming old lodge with games and activities for the kids. We stayed in one of the rustic cabins and spent one week fishing, hiking, roasting marshmallows, riding the Mammoth Mountain gondola and horseback riding." The photo depicts Renne's daughter, Alessandra, 8.

Take the Club with you, wherever you go! Club members are a well-traveled bunch. Bring your copy of *Alive!* with you. Snap a photo with you holding a copy, send it in, and we'll publish it. Send to: talkback@cityemployeesclub.com

When you send digital photos through the Internet, please send the full, original digital file yourself, rather than using digital photo software like Kodak EasyShare, Kodak Gallery, Flickr, etc. These programs send very low-resolution images, and they don't look good in print. We want you to look your best, so send us the original digital file, please! Thanks!
