"The narrow bridge before the main entrance to the Hana sacred pools in Maui, Hawaii, is a perfect spot to pose with *Alive!* The drive took us three hours for a 56-mile trip, but we were rewarded with beautiful scenery along the way."

A depiction of the Alive! Around the World map at Club Headquarters

Take the Club with you, wherever you go!
Club members are a well-traveled bunch. Bring your copy of *Alive!* with you.
Snap a photo with you holding a copy, send it in, and we'll publish it.
Send to: talkback@cityemployeesclub.com

When you send digital photos through the Internet, please send the full, original digital file yourself, rather than using digital photo software like Kodak EasyShare, Kodak Gallery, Flickr, etc. These programs send very low-resolution images, and they don't look good in print. We want you to look your best, so send us the original digital file, please! Thanks!

- Mike Boyd, West Valley Sanitation

It's about the size of the Port of LA and was recently constructed in just three years. We have a sister-port relationship with the Shanghai Municipal Port Administration Bureau (Port of Shanghai)."
