Story and photos by Angel Gomez, Member Services Director

The Port held its annual benefit fair in October. These fairs connect employees to City-provided benefits plus products and services offered by outside vendors.

It's Party Pix Time

Be a part of a Club Holiday tradition:
 Have party pix from your City office's holiday party published in *Alive!*

Is your office having a holiday party? We want to print pictures from your holiday office party! Here are two ways to get your holiday office party pictures into the January *Alive!*:

1. Take the photos yourself, and send them in as soon as you can. Digital photos are always best. And make sure you give us a description of the party: when it was, where it was, and if something significant happened, let us know that, too.

If there are just a few photos, then send them to talkback@cityemployeesclub.com. But if there are a lot, then it's best to burn them onto a CD and deliver (or mail) the CD to the Club. The address is on the inside front cover. Make sure the photos are as high resolution as you can make them.

2. Let us know when your holiday party is, and we'll try to send a photographer. Please note: There are more City holiday parties than we can cover, but we will try. That's why it's best to send in your own photos. If you want us to cover your party, talk to your Counselor (Tiffany Sy or Arlene Herrero) or write to Robert Larios, Club Director of Operations, at rlarios@cityemployeesclub.com. We'll do our best to get to as many parties as we can, but we can't guarantee it. But let us know.

See you at the party!
