"Here I am on the little island of Atulayan, off the southeast coast of Camarines Sur in the Bicol region, Luzon, Philippines. The boat in the background leaves from Nato Beach in the barangay (district) of Sangay, and the surrounding ocean is the Philippine Sea. As I stood for this photo, a thunderstorm was raging on the peninsula, while the sky was sunny and clear on the island. This was taken about two weeks before the onset of the typhoon season."

- Pete Le Grand, Public Works/Contract Administration

Canada

Dennis and Rhodora Basilio, DWP, took a Princess Cruise on the Alaskan inside passage, and took a shore excursion in Yukon, Canada, and White Pass.

"The tour originated from Skagway, Alaska, and passed through a bus and train ride to a beautiful scenery of White Pass to Yukon, Canada, that touches the history of Klondike Gold Rush to Alaska. No gold was found, however, but it established the railway and roads to a beautiful country site that is now accessible to tourists and locals alike. It was a remarkable place worth visiting again in the future."

- Dennis and Rhodora Basilio, DWP

Jamaica

"My husband, Ron, and I took our son, Bryan, and his girlfriend, Cori, on a Caribbean cruise to celebrate his graduation from college! Here we are in Ocho Rios, Jamaica, where Ron and I rode Jamaican bobsleds through the rainforest, and Bryan and Cori rode zip lines *waaay* over the forest! We all had a great time with wonderful lifelong adventures to remember, including swimming with the stingrays in Grand Cayman."

- Jean Sarfaty, LAPD

"My parents gave me the privilege of traveling to Europe. There, I took pictures with the *Alive!* newspaper. One is obviously in Pisa, and the second is at the Palace of Versailles in France. Thanks to my family I was able to see many breathtaking sights in Europe. I had an amazing time, and I owe it all to my parents. I love you!"

- Jennifer Rodriguez, daughter of Rigoberto Rodriguez, Rec and Parks Forestry Division

A depiction of the *Alive! Around the World* map at Club Headquarters

Take the Club with you, wherever you go! Club members are a well-traveled bunch. Bring your copy of *Alive!* with you. Snap a photo with you holding a copy, send it in, and we'll publish it. Send to: talkback@cityemployeesclub.com

When you send digital photos through the Internet, please send the full, original digital file yourself, rather than using digital photo software like Kodak EasyShare, Kodak Gallery, Flickr, etc. These programs send very low-resolution images, and they don't look good in print. We want you to look your best, so send us the original digital file, please! Thanks!

Alive! editor John Burnes at Giant's Causeway, Co. Antrim, N. Ireland. The causeway is comprised of more than 40,000 interlocking stones, mostly hexagonal, stretching into the North Atlantic.
