Hitmen Perfect After 7 Weeks

In games played through Aug. 19, the Hitmen are a perfect 6 wins, zero losses – although one score is missing. (And the editor knows that, at press time Aug. 26, things might not have turned out so well for the Hitmen).

And Alive! reports that all problems with the lights at Downey Park have been solved, with the games going on as scheduled each week.

Fans (mostly family and coworkers) are showing up, cheering on their favorite Club softballers. And with the weather warming up (finally), the game action is really kicking into high gear.

Go out and cheer your team on! You'll have fun ... they'll have fun. And what else do you have going on, on a late summer Wednesday night?

The Club Softball League is really drawing energy during the run toward the playoffs. Who will be crowned the first Club Softball League champs? Stay tuned!
