On June 28, 136 golfers braved the heat to support the fifth annual Bureau of Street Services 2009 March of Dimes Golf Tournament. The event was held at Porter Valley Country Club in Northridge.

The best ball tournament started at 10 a.m., and team awards were given to first, second and third place. Golfers were treated to breakfast, lunch, and a sit-down dinner. They also had the opportunity to test their skills by participating in hole-in-one contests that featured winning prizes including a chance for \$10,000, a five-day cruise in the Bahamas, or two Southwest airline tickets good anywhere they fly. The contest entries also included traditional closest to the pin and longest drive, and a best poker hand. The Laker Girls made an appearance to greet golfers.

Awards and great raffle prizes were handed out during the dinner ceremony. The City Employees Club provided a set of official City seal watches to raffle.
