General Services held an award ceremony honoring those employees that did not use any sick or vacation time during the calendar year 2009. It takes a very special effort to stay healthy, and a strong personal commitment towards one's job, to refrain from using any sick time over the course of an entire year.

The event was held May 19 at El Torito in Burbank.

Special thanks go Jung Ho, Club Member, Supervisor; Jacque Lorraine, Sr. Automotive Supervisor; and Richard Coulson, Acting Director of Fleet Services, for their assistance.
