## Alaska

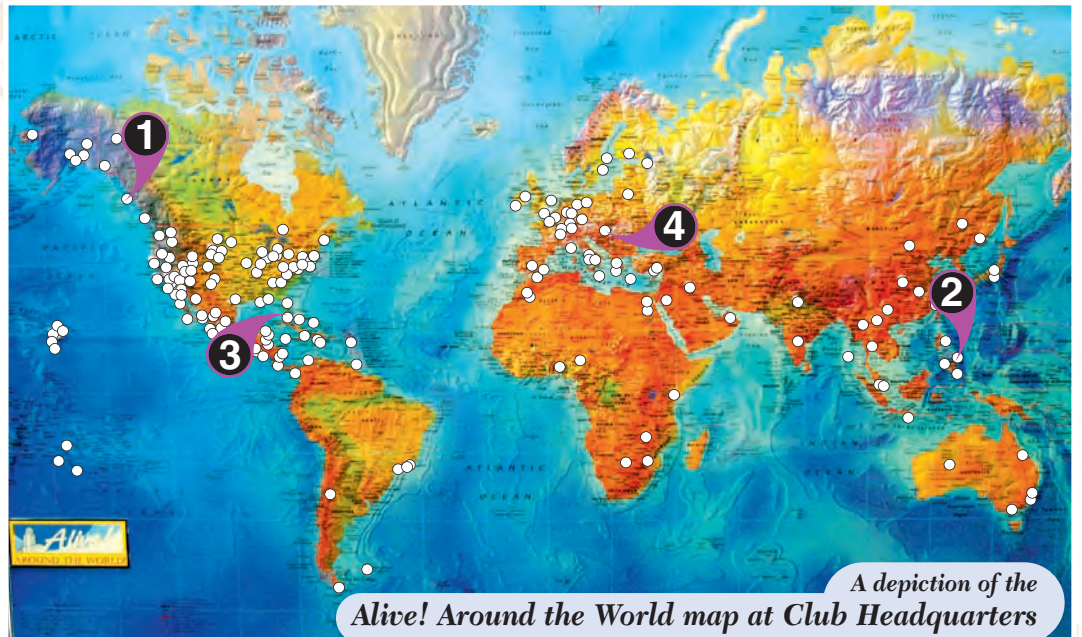

"At the Mendenhall Glacier, Tongass National Forest, Juneau, Alaska, May 16."

"The Tracy Arm Fjord, May 18. On the balcony of my stateroom on deck seven at the very end of the ship. We had views all around. The scenery was spectacular!"

"Hello Club Friends! On May 14, my husband and I cruised to Alaska aboard Royal Caribbean's *Rhapsody of the Seas* and saw some spectacular scenery."

When you send digital photos through the Internet, please send the full, original digital file yourself, rather than using digital photo software like Kodak EasyShare, Kodak Gallery, Flickr, etc. These programs send very low-resolution images, and they don't look good in print. We want you to look your best, so send us the original digital file, please! Thanks!

Take the Club with you, wherever you go!  
Club members are a well-traveled bunch. Bring your copy of *Alive!* with you. Snap a **high resolution** photo with you holding a copy, send it in, and we'll publish it.
