various factors, the most prominent of which is to keep up with inflation in today's competitive market. I strongly believe we are the most competitive with the highest quality group retiree plan

If you are retired, you shouldn't have to miss out on all the goodies the City offers to active employees! For the fourth consecutive year, retirees qualify for the annual refund check, just like City Employees who are still in their working years. So look in the mail in December for your life insurance refund check if you have this insurance. We also continue to offer you the convenience of automatic pension deductions and portability!

Keep in mind that if you plan to retire, your life insurance with the Club stays with you! Simply contact our office at your earliest convenience so that we may process your request.
