

Alive! AROUND THE WORLD

1 Ireland

When you send digital photos through the Internet, please send the full, original digital file yourself, rather than using digital photo software like Kodak EasyShare, Kodak Gallery, Flickr, etc. These programs send very low-resolution images, and they don't look good in print. We want you to look your best, so send us the original digital file, please! Thanks!

Take the Club with you, wherever you go! Club members are a well-traveled bunch. Bring your copy of *Alive!* with you. Snap a **high resolution** photo with you holding a copy, send it in, and we'll publish it. Send to: talkback@cityemployeesclub.com

2 Hawaii

"At the Hawaiian Volcano Observatory. Luau time!"

"At the Black Sand Beach in Punalu'u."

4 The Midwest

Lambeau Field.

"I drove from Ohio back to California on my vacation. I even drove through the center of the world! Well at least a small town in Ohio by that name. [In Green Bay, Wisc.] I took a tour of Lambeau Field, home of the Green Bay Packers. I also saw the other-worldly landscape of Badlands National Park in South Dakota."

- Gary Kotas

5 California

"I have taken a photo with my son, Anthony Longoria, at Yosemite. The picture features the half dome in the background, and we are standing at Glacier Point. The photo was taken in July. According to the park rangers, this year is a record year for water flow. All the waterfalls and rivers were flowing abundantly, which enhanced the park's beauty by at least a hundred-fold. If you're planning a trip to Yosemite, this would be the year."

- Manuel Longoria
