

Alive! AROUND THE WORLD

1 New York

Alive! on the Today Show!

It's a first for *Alive!* Around the World ... *Alive!* on national TV!

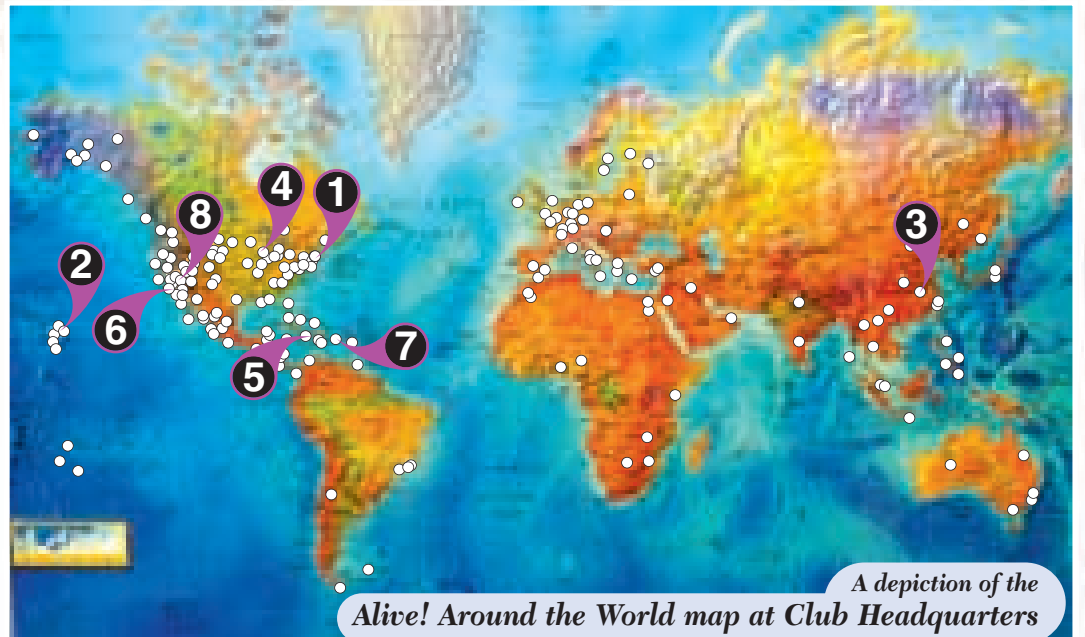

"Yipeeee! We are on national TV! Hey, is that *Alive!* there?"

"The following are photos from our recent vacation in New York. Of course *Alive!* is included in the trip. Can't leave home without it!"

- **Vernon Tabirara, Public Works, and Christine Tabirara, Building and Safety**

"We went for a short walk to the set of the *Today Show*, hoping to get some face time like the mayor on national TV."
"It was such a beautiful day visiting the Statue of Liberty. The museum is worth visiting also. There's so much to learn about how the United States became a melting pot."

When you send digital photos through the Internet, please send the full, original digital file yourself, rather than using digital photo software like Kodak EasyShare, Kodak Gallery, Flickr, etc. These programs send very low-resolution images, and they don't look good in print. We want you to look your best, so send us the original digital file, please! Thanks!

Take the Club with you, wherever you go!
Club members are a well-traveled bunch. Bring your copy of *Alive!* with you. Snap a **high resolution** photo with you **holding a copy**, send it in, and we'll publish it.

We hit a number of beaches and explored just about every nook and cranny on Maui. In fact, during the eight days we were on Maui we drove a total of 826 miles!"

- **Erwin Gee**
