On Aug. 10, the Harbor Department recognized 187 employees who achieved perfect attendance during the 2009 calendar year. The luncheon was held at LAFD's Station 112 in San Pedro, home to the "world's most powerful fireboat, the Warner Lawrence."

The Port's Attendance Program Coordinator, Martín Chavez, started the program by thanking the employees for their tremendous efforts during the previous calendar year and introduced Deputy Executive Director Molly Campbell. Ms. Campbell expressed her gratitude for their amazing accomplishments and remarkable attendance records. She further shared the Department's appreciation for the employees' commitment to serve our customers and each other.

Joanne Esparza and Alberto Rosario were acknowledged for their 20 consecutive years of perfect attendance; Ebrahim Khalvati and Martín D. Chavez for their 15 years of perfect attendance; and for having ten years of perfect attendance: Holly Carlson, James Morgan, Michael Rubino, Linda Vigil and Hak Ning Wong. Each employee will receive \$500 for their achievement.

Employees in attendance participated in a drawing for prizes donated by Western Medical Group and the City Employees Club. Two sets of Dodger game tickets donated by Western Medical Group were won by Mariam Cruz and Mikey Sharp. The City Employees Club provided the following prizes: Two sets of Angels' tickets, movie tickets, and City logo watches. Each of the winners - Mark Weisenberger, Irene Blandino, Frank Scognamillo, Ronald Degler, James Williams, Eric Douchette, Jeffrey Miller, Sue Lai, Michael Barnes and Gary Gardner - selected their own prize. The LAFD Historical Society provided a prize commemorating the restoration of the Fireboat *Ralph J. Scott*, which was won by Frank Albers.
