

Alive! AROUND THE WORLD

1 Bahamas

"I went on a transatlantic cruise and kept forgetting to bring the paper. I missed Cartagena, Spain; Gibraltar; and the Canary Islands; but at the last stop on Nassau when we were heading for an undersea view of the coral reef and the fish I remembered that the paper was in my camera bag. It was a great trip for my 81st birthday."

- Gary Whittington, Retired, Street Maintenance Superintendent

2 China

Debra Fore (at right in glasses) recently spent two weeks in China. "It was a great experience." Debra (right) is in front of "one of the world's greatest wonders. "My traveling companion (at left), Deatrice Thomas, LAPD, Wilshire, Area Crime Analyst Detail, shows off her Alive!"

When you send digital photos through the Internet, please send the full, original digital file yourself, rather than using digital photo software like Kodak EasyShare, Kodak Gallery, Flickr, etc. These programs send very low-resolution images, and they don't look good in print. We want you to look your best, so send us the original digital file, please! Thanks!

Take the Club with you, wherever you go!
Club members are a well-traveled bunch. Bring your copy of *Alive!* with you. Snap a **high resolution** photo with you **holding a copy**, send it in, and we'll publish it. Send to: talkback@cityemployeesclub.com
