

Alive! AROUND THE WORLD

1

Egypt

"Here's a picture of me in Cairo, Egypt, at the monument of the only female ruler, Hatsheput. I took a trip to Cairo Dec. 28 to Jan. 6, with the Watts Learning Center Charter School where my son, Hunter Echols, attended. They travel abroad every two years. Travel is done by raising funds for two years to pay for the children's fare. This trip is a wonderful experience, and gives you a different perspective about the world outside of the United States. We made it back just in time."

- Laronda Echols, Airports

When you send digital photos through the Internet, please send the full, original digital file yourself, rather than using digital photo software like Kodak EasyShare, Kodak Gallery, Flickr, etc. These programs send very low-resolution images, and they don't look good in print. We want you to look your best, so send us the original digital file, please! Thanks!

Take the Club with you, wherever you go! Club members are a well-traveled bunch. Bring your copy of Alive! with you. Snap a **high resolution** photo with you **holding a copy**, send it in, and we'll publish it. Send to: talkback@cityemployeesclub.com

Alaska

"Here I am standing on the balcony to our stateroom. This is our first stop on a seven-day cruise to Alaska. I was very excited, and Alaska was so beautiful. We did lots of shopping and eating. The ship was full of passengers from all over the United States. I am looking forward to cruising to the Hawaiian Islands soon."
