City Promotes Earth Day

Depts. educate the public about City's recycling efforts.

Story and photos by Robert Larios, Club Director of Operations

On April 21, Transportation and Public Works/Sanitation held an event to promote the City's earth-friendly programs.

The event was held on the City Hall South lawn.

Several bureaus and departments promoted and educated the public about the recycling, composting and other services the City offers to reduce waste and recycle material consumed by the public. The Club participated, too, with an informational table.

Congratulations to all involved, on a job well done! *Special thanks as always to Jackie David, Director of Public Works, Board of Public Works, for her assistance.*

From left: Mimi Tomeka Scott, Field Representative Auditor, Multi-Family Residential Recycling, Public Works/Sanitation, 6 years of City service; and Milini Khan, Clerk Typist, Public Works/Sanitation, 1 month of service.

Noelle Kaufman of the City Employees Club sets up the information table for the Club.

Robin Quintanilla, Marketing Representative, Transportation, 5 months of City service.

From left: Nisheeth Kakarala, Environmental Engineering Assistant II, Public Works/Sanitation, 2 years of City service; Zafar Karimi, Environmental Engineering Assistant II, Public Works/Sanitation, 21 years of service; Lucy Lo, Clerk Typist, Public Works/Sanitation 2 years of service; and Carol Parker, Environmental Engineering Assistant, Public Works/Sanitation, 17 years of service.
