When you send digital photos through the Internet, please send the full, original digital file yourself, rather than using digital photo software like Kodak EasyShare, Kodak Gallery, Flickr, etc. These programs send very low-resolution images, and they don't look good in print. We want you to look your best, so send us the original digital file, please! Thanks!

Take the Club with you, wherever you go!
 Club members are a well-traveled bunch. Bring your copy of *Alive!* with you. Snap a **high resolution** photo with you **holding a copy**, send it in, and we'll publish it.
