## Life Insurance Open Enrollment Apps in Mail to All Members

By now I hope you've heard the news about the City Employees Club Open Enrollment for increasing your life insurance (open to all active DWP employees). It's a good deal, and this is your last month to take advantage. You can increase your existing life insurance up to \$50,000 for both you and your spouse if you are 50 years of age or younger with no medical questions asked - you are automatically approved! (Your plan cannot exceed \$200,000 of total coverage.)

For all the non-DWP City employees, we did not leave you out. Your open enrollment for life insurance begins today! This

is for first enrollment or those wishing to increase their coverage. If you are currently a Club Member 50 years of age or younger and actively working for the City (you cannot be out on disability or previously declined or had coverage cancelled), you will receive your application in the mail. Please ensure we have your most up-to-date address on file.

Remember, our group-exclusive life insurance plan qualifies you for an annual refund check. It is also a portable plan so you can take your benefits with you when you retire or leave the City/DWP.

If you have any eligibility or enrollment questions, please call your Benefit Counselors. Take advantage today!

Enjoy the rest of your summer, from all of those at the City Employees Club Insurance Services.
