On Aug. 31, General Services/Fleet Services held a perfect attendance luncheon at the Wilshire Grand Hotel. Recognition certificates will go into the personnel files of each recipient, which is a great tribute to their career.

The event took place at the City Grill in the Wilshire Grand Hotel.

Attendees enjoyed a buffet lunch, which gave them the opportunity to interact prior to the awards and recognition. Supervisors told the winners, "It's good we can depend on you, day in and day out."
