"We spent an afternoon at Malibu. I captured this moment of the girls screaming while chased by the waves."

– Jimmy Lee, CDD

John's comments: Now that's what summer is all about, especially in Southern California! Thanks Jimmy for sharing!

"While overseeing a construction project in Wilmington, I took this picture of a bird feeding her children in their nest."

– Kevin Harbor, Harbor

John's comments: Kevin, you caught this family at just the right moment – and how you got so close is beyond me. Nice work!

"I had to sit still (pretending to sleep) while I triggered the Sony a55 remote, to get this 30-second-delay shot of the subject – not me, the stars!"

– Dominique Daito

John's comments: Dominique, once again you have amazed me with the amazing! I love how the stars in the sky are just popping out – nice work as always!

"This is my son, Ryan, 10, paddle-boarding in Coronado Bay, San Diego, for the Fourth of July, with the naval ships in the background."

– Robert Morales LAPD

John's comments: I love it! Your son is paddle-boarding exactly where I used to regularly drive a submarine from the bay out to the sea. Not only did you bring back fond memories, but you captured a super special moment of your son. Nice work, Robert!

- When you send digital photos through the Internet, please send the full, original digital file yourself, rather than using digital photo software like Kodak EasyShare, Kodak Gallery, Flickr, etc. These programs send very low-resolution images, and they don't look good in print.
- We want you to look your best, so send us the original digital file, please! Thanks!

- The contest is all in good fun: The Club cannot be responsible for delays in delivering *Alive!*, or for delays in the transmission of responses.
