Good Going, Kacy!

Kasondra Evans is Personnel's Employee of the Quarter.

Kasondra "Kacy" Evans was named Personnel's Employee of the Quarter at a small event held May 12 at the Board of Civil Service Commissioners.

Kacy works in Personnel's Public Safety and Medical Services division. In that capacity, she works with those involved in police hiring, including the LAPD, Medical Services Division, and the Background Investigation Division.

A certificate was presented to Kacy "in recognition of consistently performing her duties above and beyond the call of duty" by Gloria Sosa, Asst. General Manager, Personnel.

"Today we are going to recognize an employee from the Public Safety and MSD (Medical Services Division) section. The person is Kasondra Evans," Gloria Sosa continued. "Better known as Kacy, she has been with the Public Safety Bureau for about eight years. She has an extremely well rounded and in-depth knowledge of all the aspects of public safety hiring. She is generous, she is always communicating, always

"And just because I am upbeat and positive, I still want stuff done right and done now!"

"Thank you so, so, so, so, so much!" she concluded.

"We love your enthusiasm," said Anthony de los Reyes, President of the Los Angeles Board of Civil Service Commissioners. "Thank you and congratulations."

Congratulations, Kacy, from the Club, too!

educating anyone she encounters. The police hiring process is very complex; we have many sections and divisions from different Departments that have to work together to hire one police officer. Kacy is an integral part of that process. She is willing to help and train anybody whether it is LAPD or MSD or anyone. She is just exceptional and she does it all with a great attitude and a great laugh!"

Gloria then read from the certificate, quoting: "This certificate is presented to Kasondra Evans in recognition of consistently performing her duties above and beyond the call of duty."

"Kacy effectively works with all those involved in police hiring including the Los Angeles Police Department, Medical Services Division, and the Background Investigation Division of PSB. And she always does she job with an extremely positive attitude plus she has a great laugh!" Gloria concluded.

"Thank you so much," Kacy responded. "Everyone who works with me knows me and knows that I love my job. I really do. I look at my job as kind of on the hot side, the demands, everybody needs a job. I see guys on the outside looking in, and I just try my best to make sure that the tests and parts all get done in a fast order so that the person can have a job. And I just love my job, I do!"
