

Be a Part of a Club Holiday Tradition

It's Party Pix Time

We want to print pictures from your holiday office party in *Alive!*

Is your office having a holiday party? Here are two ways to get your holiday office party pictures into the January Alive!:

Take the photos yourself:

Take the photos yourself, and send them in as soon as you can. Digital photos are always best. And make sure you give us a description of the party: when it was, where it was, and if something significant happened, let us know that, too.

If there are just a few photos, then email them to talkback@cityemployeesclub.com. But if there are a lot, then it's best to burn them onto a CD and deliver (or mail) the CD to the Club. The address is on the inside front cover. Make sure the photos are as high resolution as you can make them.

We'll take your holiday photos for you:

Let us know when your holiday party is, and we'll try to send a photographer. *Please note:* There are more City holiday parties than we can cover, but we will try. That's why it's best to send in your own photos. If you want us to cover your party, talk to your Club Rep (Arlene Herrero, Angel Gomez, Jackie Causillas, Gedina Bergstrom, Noelle Kauffman or Tanya Edwards) or email Robert Larios, Club Director of Operations, at rlarios@cityemployeesclub.com. We'll do our best to get to as many parties as we can, but we can't guarantee it. But let us know.

See you at the party!
