Germany

"Here are photos from a trip last week to Hamburg, Germany. I was traveling with a delegation from the National League of Cities, having discussions with German officials on sustainability, and my photographer was none other than Councilman Tom LaBonge, Club Member. It was a great trip, and we made good contacts with our other delegates and our German counterparts."

– **Michael R. Christensen, Deputy Executive Director/Development, Harbor**

Missouri

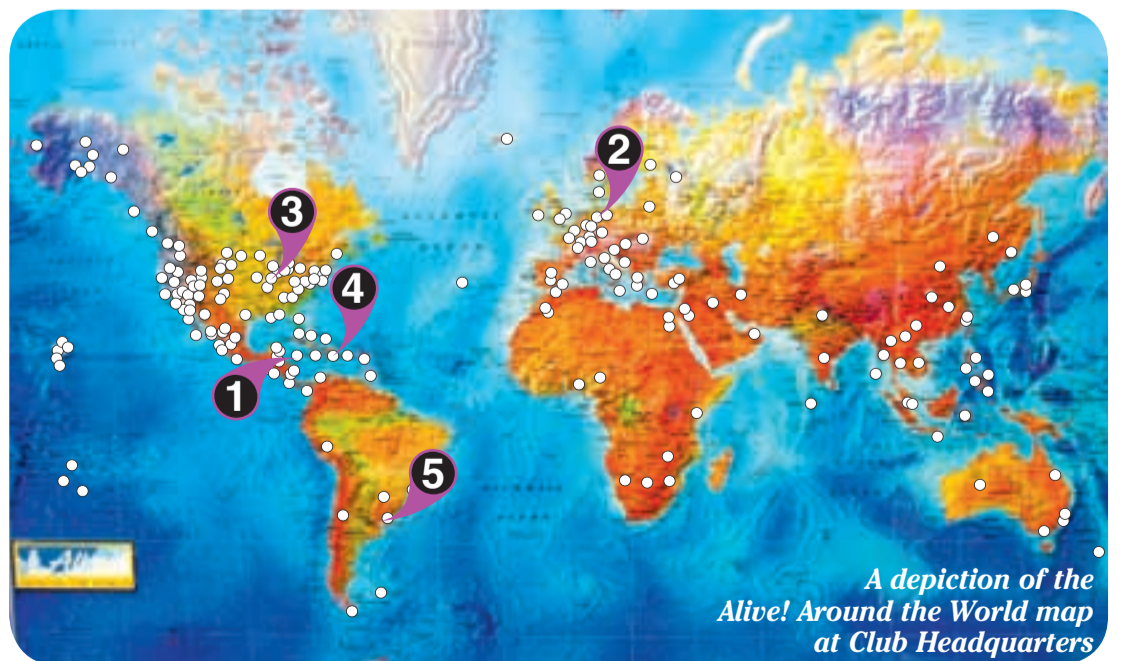

Here's *Alive!* editor **John Burnes** in Lambert International Airport, St. Louis. The airport had just completed a \$30 million renovation after a tornado hit the airport last year, breaking many of the windows you see in the background and causing much more damage to the infrastructure. Even some planes were damaged. (Check it out on YouTube.)

Take the Club with you, wherever you go!

Club members are a well-traveled bunch. Bring your recent copy of *Alive!* with you. Snap a **high resolution** photo with you **holding a copy**, send it in, and we'll publish it. Send to: talkback@cityemployeesclub.com

Sending Digital Photos:

When you send digital photos through the Internet, please send the full, original digital file yourself, rather than using digital photo software like Kodak EasyShare, Kodak Gallery, Flickr, etc. These programs send very low-resolution images, and they don't look good in print. We want you to look your best, so send us the original digital file, please! Thanks!
