Story and photos by Jackie Causillas, Club Counselor

On May 23, Public Works held a reception to celebrate the 2012 National Public Works Week (May 20 through 26). The celebration took place in City Hall.

The Board of Public Works honored all Public Works employees but especially 27 employees from the five Public Works Bureaus who were selected for their special contributions to projects that demonstrated "sustainability," part of the overall theme of "Public Works: Creating a Lasting Impression."

The celebration concluded with a reception outside the Board hearing room, sponsored by the Public Works Public Affairs Office and the Public Works Task Force for Employee Achievement and Morale.

Congratulations to the winners! Special thanks to George Stofila and Paul Gomez.
