Special Achievements

Sean Evans graduated from basic training in the U.S. Air Force Oct. 26. "He is following a family tradition of military service, along with his father, uncle, and godfather." He's the son of Billie Evans, Public Works, and Tonja Bellard Evans, Personnel.

The Club's Gedina Bergstrom, Club Counselor, found her voice on... NBC's "The Voice". She went through the long audition process, and on Oct. 1, she appeared on the show performing a blind audition. While the celebrity judges were impressed, they declined to move her forward in the singing competition. More than 50,000 tried out last spring, she says. "Being on the show was a huge accomplishment," Gedina says. "I sang on TV, and I killed it. I wouldn't change a thing. I am so grateful for the experience, and I would encourage anyone who can sing to try out." Congratulations, Gedina.

Military

Long-Term Care and Retirement

There is a critical need in America to prepare consumers to afford the costs of long-term care. Long-term care insurance (LTCi) is designed to cover the costs associated with aging. LTCi provides benefits toward nursing care facility services, assisted living facility and in-home custodial care. There is a big misconception that health insurance or Medicare covers long-term care – it does not! Retirees can deplete their savings, assets, and retirement

income when the unexpected occurs. The need for long-term care arises and they are financially unprepared!

The City Employees Club of Los Angeles offers a group-exclusive long-term care insurance plan through Unum Life Insurance Company of America. This LTCi plan will provide a monthly benefit (\$1,000 – \$5,000) in the form of a tax-free check payable directly to the insured person to cover the cost of custodial, nursing and

assisted care. Our plan allows you the freedom to take this plan with you anywhere in the United States to any board licensed nursing care facility, assisted living facility or in the comfort of your own home.

Your age at the time of the application is also a determining factor of your premium. Our rates are fixed, which means they do not go up with age! The younger you are when you purchase the insurance, the lower your rates will be.

There is still time to lock in your rates for the 2013 calendar year on our group long-term care insurance plan for active employees, retirees, spouses and parents. Come in to the Club Store and see your benefit counselor before the end of the year for a consultation or call us for your information kit.
