Peace of Mind

Cancer Insurance Could Pay You Back

Have you ever purchased an item with the greatest intentions of putting it to good use, but somehow it found its way to the storage bin safely hidden under your holiday decorations, deep in your garage? Or perhaps you misplaced it or forgot about its existence, only to find it years later covered in dust with tags intact? Your feeble attempt at posting it for sale on Craigslist or eBay leaves you scratching your head and wondering why wouldn't anyone want to buy your brand-new pair of rayon-“pleather” socks with pink reindeer? Well, wouldn't it be wonderful if we could turn back the hands of time and skip that purchase? Or, what if we could shop for items with a return policy of 20 years? Most of us are sharp enough to know that really doesn't exist.

Now, let's entertain the idea that there is a place out there that will allow you to return an item from the glitzy

disco era. Imagine a plan that will serve its purpose... and if it doesn't, it will give you all your money back in 20 years! Drum roll please: Allow me to introduce our Cash Cancer plan that will pay you a lump sum, non-taxable benefit of \$10,000 to \$50,000 to protect you from all the associated costs of dealing with cancer not covered by your health plan. The plan will pay upon first diagnosis of internal cancer or malignant melanoma.

Now, let's imagine that you've purchased this plan and it covered your family for the past 20 years, and everyone is healthy and free of cancer (as they should be, right?). Here's the kicker... you get all your premium dollars back. Yes, everything you've paid to the insurance company to insure you for the past 20 years will be returned. And the icing on the cake, say goodbye to payments and keep the coverage for a lifetime! Wow – I need to sit down now.

You are automatically approved if you've never been diagnosed with cancer. It doesn't matter whether cancer is prevalent in your family history, nor does it matter if you are a smoker or work in an environment that exposes you to cancer-causing substances. You will qualify for the plan as long as you are a Club Member in good standing and actively working for the City. (You must enroll by age 64.) This plan is portable, so you can take it with you when you retire or leave the City.

You have the option to apply for benefits in increments ranging from \$10,000 to \$50,000 per person in your family. Rates are locked in to your age at the time of enrollment. So, what are you waiting for? Let's get started today!
