Remembering Lloyd A. Herbs DWP

Lloyd A. Herbs worked for the DWP for 38 years. He was a very nice man. He greeted everyone who went to Mar Vista Convalescent home, most by name, becoming familiar with who they were and who they were coming to see. I'm sure he will be missed there, as he will be missed by my friend, sister and myself. I was taken aback to read of his passing and so were they, especially since I had not learned by any other means until I read it in *Alive!* He had a great voice, and spoke well. He was offered different paths in his life, but he chose public service. I am extremely glad to have known him.

— Gloria Rodriguez, DWP

Lloyd Herbs retired in 1985 and died March 31. He was 92. In retirement, he served as the chaplain of the DWP Retirees Association. — Ed.

Time for a Benefits Tune-Up

It's fun in the sun, and I hope you are enjoying your summer vacations with your loved ones!

When you gear up for your family road trip, it's good to take your vehicle in for an oil change before you hit the road. And if your summer break involves stepping off the beaten path to new adventures, it's definitely a smart plan to update your maps on your navigation system, right? Advance planning and scheduling help you manage the consequences in the event of

unforeseen circumstances, or avoid them altogether.

In the same way, you should ensure your peace of mind with a "benefits tune-up" by coming down to the Club Store to review your coverage and learn about the Club's extensive line of supplemental benefits, including:

- Accident
- Accidental death and dismemberment
- Auto/home
- Cancer

- Disability (short- and long-term)
- Identity theft protection
- Pet
- Legal
- Term life
- Long-term care

This fall, the Club is launching a new benefit for members and families for final expense planning. Stay tuned, as this topic will be the feature in our next month's article!

Thank you to our DWP Club Members for all of your support toward a successful launch of our new insurance benefit for our group short-term disability. If you work for the City, you will have your opportunity to enroll later in the fall.

Enjoy a safe and happy rest of the summer!
