## LAFD Car Show

The LAFD held its 13th annual car show Oct. 13.

Mother Nature blessed the west San Fernando Valley with gorgeous weather for what would be another epic event. Cars from the 1920s up to some that were just manufactured a few years ago were on display for all to see and photograph. Food and drinks were available when guests needed a break from all the walking and gawking at an amazing 1964 Lincoln Continental convertible, some incredible low-riders or the beautiful display of old fire trucks. The LAFD even showed us what they do every day by putting on a reenactment of what saving victims from a car accident looks like by using the "jaws of life" and other tools of their trade. Music filled the air along with smiles and laughs from the crowd enjoying another great event and beautiful sur-

roundings all in the name of supporting Fireman's Widows, Orphans and Disabled Fireman's Fund and Firefighters Quest for Burn Survivors.

Mark your calendars for next year; finish your old jalopy in the garage or scrape up the money to buy one, and make the pilgrimage out to the show next year! You won't be disappointed. See you next month!
