LETTER OF THE MONTH

Banning's Victorian Christmas Really Got Them Into the Spirit

What a festive story about the Victorian Christmas you published. The Banning Museum knows how to get the season going. Our family loves the cheer and feel of the Christmas season, so when we saw the images of the clothing, carriage, and rooms, it was truly a delight, since it told us that people around the City love Christmas, too!

This Club Benefit Was One Honey of a Deal

Whoa! Those Honeybaked Ham gift cards sure came in handy when we needed to buy the ham for the family. What a great deal you made for us. I hope you keep this special all year round. We may need more for Easter. Thanks again, Club!

–Kevin Gunther, GSD

Alive! Is Party Central In Showing Festive Fun

I can't wait to see those holiday party pictures in the upcoming edition of the newspaper! It is always a treat to see employees having fun. It makes for great memories. It must be a hard task to cover all those parties, but somehow you guys get it done. Thanks for keeping me connected while living in Las Vegas.

–Joy Humphries, Retired

Club Sports Is Fun, But It's About Creating Memories

I wish to thank the Club and Robert Larios for the great work and commitment to Club Sports. We have so much fun playing and laughing together as we compete. Just getting a little exercise is good to relieve the stress and it helps. But most of all, I think we all know that our time at the City is special and creating memories on the basketball court or on the softball field is something we will forever cherish. Thank you Club and Happy New Year!

Great Gifts in Their Stocking Start as Great Club Store Deals

I would like to send my thanks and appreciation to the staff at the Club Store for making it a very special season for my mom who works at the City and is a Member. She

makes it a point to stuff our Christmas stockings with movie tickets, Disneyland tickets and boxes of See's Candies. I didn't know this until recently that she gets all of that stuff at the Club Store! I can see why with the super low prices there. Thanks for making traditions last with my family.

– Tim Keller

Natalie Sends Her Best Wishes To Club Members for New Year

I wish all my past present and future colleagues in the City a wonderful holiday season and prosperous New Year!

– Natalie Johnson, General Services

Alive!'s Holiday Party Photos Are Highlight of Year for Jerry

I look forward to seeing the holiday edition of the newspaper and see all the holiday parties going on in the City. To be frank, it is not just me, but many of my coworkers say the same thing. It is fun seeing all the happy faces – some you recognize and others you can't because they are dressed as a reindeer or Santa Claus. Nonetheless, I think we have all grown to look forward to this as a tradition when you guys publish it.

– Jerry Lawson, LAFD

Laura's First Visit to Club Store Made Her Feel Among Family

I wish to send my thanks to all the nice staff at the Club Store. I have never visited it before until last month, and the welcome was wonderful. I felt at home and among family. There were a lot of people the day I walked in, and there was even a gentleman there giving away dog toys and pet information on the Club's discount at Bark Avenue Pet Store. I will definitely come back to visit this fun and exciting for City Employees soon!
