"My wife, Marie, and I took the trip of a lifetime to Washington, D.C. Such a sense of history, legacy and national pride everywhere you go. Here I am standing in front of the south lawn of the White House, the President's backyard."

- David Jamgotchian, JILA Associates (designers of Alive!)

3

Arizona

Here's **William Flowers, Airports**, on vacation in Arizona.

Middle East

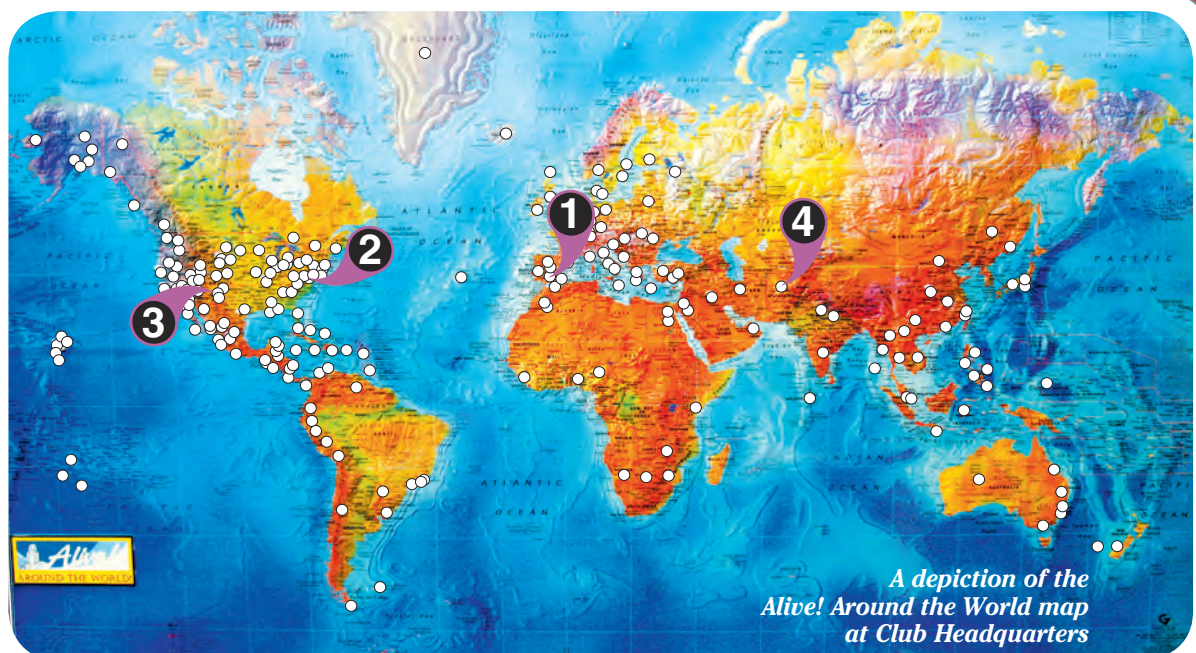

Airport Police Officer Doug Scarborough, the Club's incredible world adventurer (see him atop Mt. Everest on the cover of *Alive!* last July) took a trip recently to the Middle East. "I went to Afghanistan, Lebanon, Syria, Egypt, Iran, Turkey and Israel. The first photo is in Afghanistan (taking this photo caused quite a commotion with the locals, and I thought my head was going to roll). The second pic is in Lebanon near the Israeli/Syrian border."

We know Doug has stories to tell about these journeys. You can ask him if you run into him!
