LETTER OF THE MONTH

'People We See' Is an Incredible View of Others

I very much enjoy reading the "People We See" column every month. It is an incredible way of looking into the life of the people who live on the streets. Often the stories are heart wrenching and make you think about your own life and have appreciation for what we have.

The publication of this column also makes me think about the character of the Club and its staff. You all must have big hearts. Thank you for sharing.

It is so awesome that the Club President's son interviewed a homeless person for your "People We See" column. What an eye opener I'm sure that was for him. Let Noah Hawkins know that his interview was greatly appreciated!

When You Paint the Town, Make Sure to Use Club Deal

What a wonderful experience I had at a Dunn Edwards paint store a few weeks back. I bought two gallons of paint for my new home and used the Club discount code at the counter. Each gallon originally was \$49, and I paid just \$31 with the Club's help. It was such a great savings!

The Club is helping my life in ways I never thought about. I encourage other Club Members to use the benefits as much as possible. To all at the Club, keep up the great work!

For Happiness, Chef Larios' Recipes Are Whole Enchilada

Our family wishes to send a big *gracias* to Chef Larios for putting together a delicious enchilada recipe. We tried the quick and easy instruction he provided in his cooking column, and our family loved the results. In fact, I have not had much success when it comes to cooking for the wife and kids, but it all went super well – to the surprise of my family. I owe their happy faces and bellies to Chef Larios. Thank you, Chef.

Cheap Club Ticket Prices Take Martin to the Edge

Thank you so much for offering the cheapest tickets available. And *thank you* for not adding any upcharges or stupid processing fees like so many other places do. Without you I would not be able to take my family to the movies as often as I can. In fact, I just saw *Edge of Tomorrow* for the second time; I just *loooooove* that movie. Thanks Club; you rock!

'Ask Mayor' Column Would Be Valued Addition to *Alive!*

Have you ever thought of having an "Ask The Mayor" column? Every now and then I think of things that I would really like to ask the mayor, but I don't really know how. If you had a column, I bet people would get a lot of their questions answered. Just a thought.

Thanks for listening, *Alive!*; you guys are awesome!
